Young Girl Swallows Bichloride of Mercury

According to a report received from Washington, Pa., this morning, Miss Josephine Henry, aged 17, attempted suicide there last night by taking four tablets containing 30 grains of bichloride of mercury. Miss Henry, who is a sister of Mrs. Boyes Barker of Morgan avenue and a step sister of Willis and David Brigg of this city, was canvasing this part of the country with toilet preparations.

Two weeks ago she was the guest of her sister here and made quite a few friends by her genial personality and refined manners. She left here to sell her preparations at the home of her mother, Mrs. Henry Briggs at Roscoe and from there went to Washington.

After a thorough canvas of the town, she returned to the Seneca hotel, at which place she was stopping, and reported that she had not made one sale and was tired and hungry. She at once went to her room and a few minutes later a girl friend on entering the room, found her lying on the bed suffering great agony. She at first refused to tell what was the trouble, but later admitted that she was tired of living and had taken the bichloride of mercury. A bottle with several tablets was found in a bureau drawer in the room.

A physician was called and she was given an antidote and later a stomach pump was used, but her condition this morning is no better and no hope is entertained for her recovery. She is now at the Washington hospital and her parents have been called. A representative of this paper notified local relatives of the girl's deed.

Large Guest List At Essen Birthday Party

Mr. and Mrs. Arthur Winstone entertained in honor of their son, David's birthday, at their home in Essen Tuesday evening. The home was beautifully decorated in red and white. Games and dancing were the evening's amusement. The guest list included friends from this city, Belle Vernon and Charleroi. Many beautiful gifts were received by the host and a dainty lunch was served at a late hour.

Those present were Misses Maude Clegg, Olive Byron, Lourena Lenhart, Sady Gilespie, Eleanor O'Toole, Louise Hearce, Clara Meyer, Mary Peffenberger, Virginia Kent, Gladys Horn, Helen Dorning, Gertrude Gilchrist, Louise Pilette, Edythe Westerberg, Gladys Peterson, Elsie Heinline, Eva Harcderoad, Gertrude Wiliams, Berthta Wale, Ruth Beyers, Ruth Shepler, Edna Morgan, Amelia Prezel, Lyda MaMund, Evelyn Stevenson, Blanche Conighan, Ruth Househlder, Marie Knecht, Marie Powers, Nettie Trew, Eva Morris, Mildred Fillingham, Elizabeth Morgan, Augustine Joris, Rowena Jones, Mae Guis, Victorine Lauze, Martha Staudenmayer, Messrs. Tom Feehan, Ray Gray, Leonard Morgan, Donald Skekel, George Maund, Henry Benson, Reynold Prezel, Charles Maund, Vincent Eisenberg, Harry Malone, Henry Bertleman, William Prezel, John Cooper, Calbert Zelers, Leon Delbarre, John Dubarr, Bill Kistler, August Lauze.

Barkoot Carnival Will Be Here Next Week

Arrangements have been completed for the opening of the summer carnival on Monday next. The big Barkoot show train is expected to arrive at West Monessen about noon on Sunday, and the work of transporting the equipment across the bridge will be immediately started. Everything will be in readiness for the grand opening on Monday evening, and it is expected that this will prove a real event in Monessen amusement annals.

The Barkoot organization, according to press reports, is a mammoth enterprise consisting of no less than 15 attractions and requiring twenty cars for its transportation. The management has spared neither money nor pains in assembling meritorious features for its huge midway, which according to an eastern contemporary, resembles Coney Island, lacking only the latter's sea breeze and wave washed shore—refinement is the keynote throughout, and gambling or immoral shows are not tolerated.

In addition to the day attractions, there will be presented daily several sensational free acts, and concerts on the street by Signor Angelo Mummoles Royal Italian Band. This is by no means an unknown musical organization, but has won favor in many large cities throughout the country. It will be a treat to hear them.

—Take a kodak along on your vacation. All prices and sizes at Kirk's.

—Lawn social to be held under the auspices of the Ladies Aid society of the Swedish Lutheran church, Saturday evening, June 26th, on the corner of Schoonmaker avenue and Seventh street. All are welcome.

Local Couple Were Married Last Night

A quiet home wedding was solemnized last evening at the home of Mr. and Mrs. G. M. Snyder of Knox avenue, when their daughter, Miss Margaret H. Snyder was united in marriage to David Randolph Clark. Rev. A. H. Davies of the Methodist church officiated and only the immediate friends of the family were present. Following the ceremony a wedding dinner was served by Mrs. Snyder, assisted by Mrs. E. S. Jones. The guest list included Mr. and Mrs. J. C. Flack, Mr. and Mrs. E. S. Jones, Dorothy, Herman and Gertrude Snyder of this city, Mrs. John Elliott of Brownsville and Miss Sara Belle Naylor of Webster. The young couple left this morning on an extended trip that will take in Buffalo, Niagara Falls and New York. They will return to this city and be at home to their friends at 108 Knox avenue.

The bride has a host of friends in this city and is well known, having clerked for several years at the Ney store. The groom enjoys a large acquaintance in the valley and is employed as a railroad man.

Sister of Local Woman Was Married Last Night

Yetserday evening at the home of the bride's paretns in Charleroi occured the wedding of Miss Mabel McFeeley, a sister of Mrs. A. N. Shuster of this city, to William Patterson of Pittsburgh. The ring ceremony was used with Rev. Burson of the First Presbyterian church officiating. Mis Rhudell Shuster of this city played the wedding march. Mrs. Anna McFeeley, mother of the bride, served a six o'clock dinner following the ceremony, with only the immediate friends and relatives of the two families present.

The groom is employed as a bookkeeper for the government at Lock Four, and after the wedding a number of his fellow employes took him out for a ride in an automobile and then transferred him to a sway back mule and with cards and signs of all descriptions, rode him about the principal streets of the town. The young couple left this morning for Atlantic City and other eastern cities, after which they will be at home at Charleroi.

Mr. and Mrs. A. N. Shuster and children were in attendance at the wedding.

The L. O. T. M. Hive No. 184 Monessen will hold a benefit Saturday, June 26, on Donner avenue between Fourth and Fifth streets. Strawberries, Ice Cream and Cake will be served. 0-3t

Balloons With Fire Will Be Prohibited

The Fourth of July this year will be the last Independence Day on which it wil be lawful to send up baloons containing fire. The practice of sending up paper balloons for the edification of children and the public in general is to be stopped after the first of January, 1916. A law to this effect was enacted by the recent Legislature and signed by the governor.

The act reads: "On and after the first day of January, 1916, it shall be unlawful to sell, or expose for sale, or buy, or exchange or give away or have in possession any baloon made or intended to contain fire for the purpose of ascension, or send up, or cause to ascend, any baloon containing in or about it, any fire. This section does not apply to a baloon in which a human being ascends.

Fifteen Hundred Children Attend Public Playgrounds

It is estimated that fully 1,500 children are attending the four playgrounds in Monessen this summer, and from all indications this promises to be the greatest season the town has ever had with this venture. The children have taken a great interest, not only in the various amusements, but in their work, and by the end of the season they will have many specimens of their handiwork for display.

Four instructors are employed at the playgrounds, Andrew White at the Electric park grounds, Miss Carrie Shutterly at the Third ward, Miss Blanche Brightwell at the McKinley grounds and Miss Anna Currie at the Linden avenue grounds, to open the season in the near future.

The younger children have taken advantage of the grounds in the hill district and under the supervision of competent teachers are learning to sew, weave, and do other useful things after they enjoy themselves on the swings, slides or sandboxes. These grounds will be open for ten weeks, the closing date having been set for two weeks before the opening of the fall school term.

At the Electric park grounds many new improvements have been made, or are under construction and include, two new tennis courts for girls and ladies exclusively, traveling bars, 40 feet in length, climbing ropes and poles and the giant slide. Mr. White is now organizing a baseball league among the boys who attend the different playgrounds and they expect

Woman Is Still Living Despite Serious Injuries

Mrs. Lucy Chamberlain, who was injured some time ago in an automobile wreck on the Speers-Charleroi road, still continues to live, despite the unfavorable prospects at first. In the wreck a wagon shaft was forced between her ribs on her left side near the heart, driving a steel corset rib into her left lung.

Hospital authorities declare that her condition is very little different than it was when she was brought to the hospital. Concerning her recovery they cannot state for even a slight change for the better or the worse would undoubtedly result in her recovery or her death.

Little Girl Died Yesterday Afternoon At Beallsville

Novelia Crouch, the three year old daughter of Mr. and Mrs. Charles Crouch of Beallsville, died yesterday afternoon, following an attack of convulsions. The funeral will be held Friday afternoon at 2 o'clock. Mr. and Mrs. Crouch resided on Knox avenue for a number of years, but about three months ago the family removed to Beallsville on account of the little girl's health, Mr. Crouch still retaining his position here in the Tin mill. The bereaved family have the sympathy of a host of Monessen friends.

Mock Wedding Was A Reality

The following item scissored out of a Chicago paper, will be of interest to many local readers:

A mock wedding developed into a real one in a hurry last night at the residence of former Assistant State's Attorney James J. Barbour at 7622 Sheridan road.

The occasion was a surprise party and shower in honor of the engagement of the attorney's 21 year old son, Herman Barbour, and Miss Lucille Wallace, who is 18.

A feature of the jollification was a burlesque of the recent Mangasarian marriage. Mr. Barbour, the bridegrooms father, officiated at the mock cermeony.

Then young Mr. Barbour exhibited the marriage license which he had obtained at the city hall—a real license to wed. The Rev A. T. Wallace of the Rogers Park Baptist church was summoned.

The couple gasped when the Rev Mr. Wallace entered. He examined the license, asked them to join hands, and made the formal interrogations, to which they gasped out affirmative replies.

WESTERN PACIFIC ROAD IN COURTS

San Francisco, June 24—The question of whether the affairs of the Western railroad will be confined to the local federal courts will come up today before Judge Van Fleet, when attorneys for the receivers will argue for a restraining order against the filing of a suit in the New York federal court by the Equitable Trust company. The Equitable company is suing the Denver and Rio Grands to recover on first mortgage, bonds from the Western Pacific, which defaulted the interest on its first mortgage bonds due March 1.

Since the Western Pacific was placed in the hands of receivers an agitation from the state to buy the road has been growing. This movement is fathered by Governor Johnson. The scheme of the state purchase of the property contemplates an extension of the railroad to Southern California, so that it could serve the entire state and assure the state of commercial freedom. The road can be purchased for about $50,000,000 and some of California's wealthiest men are interested in getting it under public control.

The Western Pacific was incorporated by the Gould interests in 1903, with the object of giving the Gould system, then at its heighth an outlet to the coast. The Denver & Rio Grande, which controlled through stock ownership. The capital stock of the Western Pacific is $75,000 of which the Denver & Rio Grande own two thirds. Its bonded debt is $75,000,000.

FIGHTS ATTEMPTS TO OUST HIM

Philadelphia, Pa., June 24—Still refusing to surrender his church superiors, Rev. George Chalmers Richmond will go before an ecclesiastical jury this afternoon on charges of violation of his ordination vows and conduct unbecoming a clergyman. Rev. Richmond who is the rector of St. John's Episcopal church, has had a running fight with Bishop Rhinelander for over a year, during which time he wrote to the Bishop protesting against "ecclesiastical spies" and within a month he barred the church gates to Rev. Henry M. G. Huff, who had been appointed rector of St. John's by the Bishop.

Dr. Richmond will be represented by an attorney, and Chancellor Budd of the diocese will preside at the church trial. A long and bitter controversy is expected, for the outspoken preacher says he refuses to be muzzled. He has the backing of the greater part of his aristocratic congregation.

A sensational scene was enacted a few Sundays ago, when Bishop Rhinelander's new appointee arrived at the church. The gates were barred against him, and Dr. Richmond, backed by some of the huskies of his congregation delivered the ultimatum that the Bishop's orders were not to be followed. He charged that Dr. Huff was accompanied by a gang from the lumber camp and dubbed them the "curbstone vestry." He lectured the man outside the gate for "always being on hand when some dirty ecclesiastical work is to be accomplished."

Dr. Richmond first came into the limelight when he attacked what he termed the "money influence" in the church. He declared the churches were run from Wall street and when Bishop Rhinelander was elected, he declared that the Holy Ghost was not present at that election. "When the church in Philadelphia is called upon to make its choice between Jesus Christ and cash," he says, "it is found on the side of cash every time."

The charges brought against Dr. Richmond, on which he faces trial today are, in substance, that he openly disregarded the authority of his Bishop. In his defense, the rector has written by Dr. Richmond to the Bishop. In his defensce, the rector has charged his opponents with conspiring to oust him, and that freedom of speech was involved in the whole proceeding.

Among the letters to be introduced at the trial are several concerning the admission of two labor leaders, John B. Lennon and Mrs. Sara A. Conboy, to preach in the pulpit of St. John's. The Bishop allowed Mr. Lennon access to the pulpit, but objected to Mrs. Conboy's appearance there, on the ground that the canons did not make provisions in her case. This dispute arose during the recent convention of the American Federation of Labor.

Dr. Richmond's letter charging Bishop Rhinelander with sending "ecclesiastical spies" to pry into affairs will also figure prominently in the evidence to be presented against the fighting rector. Dr. Richmond admits writing it, as he does the other letters which brought him before the church bar.

"If I were on trial for my life," Dr. Richmond is said to have declared, "I would sooner have a jury of burlesque actors than some of the clergy of Philadelphia."

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

"Since I've got the habit of keeping in constant touch with the men on the road, by Bell Telephone, our sales have jumped up nearly twenty per cent.
"A word to some nearly landed customer here, a quick price on some special lot to a waiting salesman there, and general encouragement all along the line.
"The salesmen like it too—gives 'em confidence and it certainly gets results as the old method of jumping around in the old fashioned way never did.
"The costs are very low."

Mohawks Defeated

The Mohawks after winning five straight games traveled to Belle Vernon and were defeated by the Belle Vernon second team by the score of 11 to 8, the first defeat of the season. Gibson was on the mound for the visitors and again twirled an excellent game, allowing only five hits, while the Mohawks collected nine from Smokes, Belle Vernon's star colored hurler.

The Mohawks again went against a team that was not in their class but far faster company. The Belle Vernon team consisted of young men averaging from 19 to 23 years of age, while the Mohawks are boys ranging from 14 to 16 years.

Bill McKinley, a local high school man from Belle Vernon, was one of the youngest on the team. He is at least 20 years of age.

The loose playing of the Mohawks was the real causes of the defeat. Kaslowsky at third had three errors which counted in the scoring. Sherry's wild pegging was another which counted on the scoring and Lear's muff of a fly, allowing McKinley to get three bases. All these really lost the game for Gibson.

Bickerton, Dessent and McKees' fielding featured, while Gibson and Davies featured at the bat, each having a three base hit, while the former had a two base hit and a single in four traps to the plate.

MONESSEN PA. OLYMPIC HOME OF THE FIVE A REELS

TODAY—"THE VALLEY OF SILENT MEN," in two reels, featuring Lee Wilson and Dorothy Phillips. "IN HIS MIND'S EYE" a drama with MASQUARRIE-VERNON. The next LADY BAFFLES and DETECTIVE DUCK in "THE SIGN OF THE SACRED SAFETY PIN." A comedy. ASHER AND HENRY, the well known comedians. None better. Not even Charles Chaplin. In addition to the above we have the sixth chapter of "WHO PAYS?" one of the twelve vital questions of mankind. Useless to say any more about this wonderful picture. Our customers know more about it than we do. Many of our lady patrons are getting ready on Monday, so they will not miss it on Thursday. We don't blame them.
